Section 1619 of the statutes was amended to read:

SEC. 1619. 1. Any person may kill any dog that he knows is affected with a disease known as hydrophobia or that may suddenly assault him while he is peacefully walking or riding and while being out of the inclosure of its owner or keeper, * * *.

State Tuberculosis Sanatorium—Medical Examination of Applicants for Admission—Indigent Patients. (Chap. 429, Act July 20, 1915.)

SECTION 1. Section 1421-6, subsections 1 and 2 of section 1421-8, and sections 1421-12 and 1421-13 of the statutes are amended to read:

SEC. 1421-6. The State board of control may appoint as medical examiner or examiners of said institution any reputable physician or physicians, who shall be a citizen or citizens of Wisconsin, and whose duty it shall be to examine all persons applying for admission to the sanatorium. The fee of the examining physician shall not exceed \$4 in any case, said amount to be paid by the applicant. If the applicant is unable to pay such fee, then such fee shall be charged against the county in which the patient has a legal settlement.

SEC. 1421-8. 1. All persons admitted as patients to the sanatorium shall pay to said institution the cost of their maintenance. The charges for any patient or patients may, however, be paid by any person or persons or society. The determination of such sum shall be made by the superintendent and the State board of control. Any person who is unable to pay the charges for his or her support may be admitted to said sanatorium after it has been determined by the examining physician and superintendent of the sanatorium that such person is suffering from pulmonary tuberculosis in the incipient or slightly advanced stage: *Provided, however,* That before such person shall be admitted to the sanatorium he or she shall file a statement with the judge of the probate court of the county within which he or she has a legal settlement, setting forth the fact that he or she is unable to pay the regular charges.

2. Said judge upon presentation of the report of the examining physician that said person is afflicted with pulmonary tuberculosis in the incipient or slightly advanced stage and a statement from the superintendent of the sanatorium that in his opinion the applicant is eligible and that he or she can be received, shall make an investigation, and if he finds that said applicant or his legal representatives are actually unable to pay such charges, shall approve in writing the application of such person: *Provided,* That such judge may in his discretion require the approval of chairman of
